THE WITNESS • THRILLING NEW COMIC STORY!

By KENT B. STILES

Postmaster General Jesse M. Donaldson has expanded Uncle Sam's 1948 stamp-issuing program by making a surprise announcement that "100 years of progress by the women of America" would be postally commemorated. On July 19 and 20, 1848, in the Wesleyan Methodist Church in Senaca Falls, N. Y., home of Elizabeth Cady Stanton (1815-1902), a woman's rights leader, a group of woman suffrage advocates assembled under her leadership. She read a "Declaration of Sentiments," modeled after the Declaration of Independence, and a resolution was adopted demanding that women be given the right to vote. That was the beginning of the woman suffrage movement.

In these columns recently we mentioned that Congress has sent to the White House a bill, enacted by both Senate and House, providing for a 5-cent stamp commemorating the centennial of the arrival of Swedish immigrants in the American Mid-West. President Truman promptly vetoed the measure. He pointed out that the arrival of Swedes (and Finns) in Delaware was recalled by a 1938 U. S. stamp. He said also that the Bureau of Engraving and Printing in Washington had "limited production facilities" and that to add the proposed stamp (honoring Swedes again) "might make necessary the cancellation of one or more of the special stamps" already on the 1948 schedule.

Sweden meanwhile has issued several stamps to mark the centennial observance in the United States.

It was in July of 1948 that U Aung San—who was Premier of Burma's Interim Government which functioned governmentally until full independence from the British went into effect last January—was assassinated by political enemies. Burma is issuing a series of anniversary commemorative stamps, and the design is interesting because it reflects the Burmese people's recollection of their last king. He was Thebaw, who was on the Burmese throne from 1876 until the British forced him to abdicate, and to flee into India, in 1885. Burma became a British possession on Jan. 1, 1886. The design on the new stamps includes Thebaw's tomb, together with Burma's flag at half-mast.

HAZE DAYS

MAIZIE was a slick little chick with blonde hair and blue eyes and a cute Southern drawl—which was why all the kids tagged her Maizie instead of calling her Margaret. She was a solid citizen, one of the gang, with a steady for Saturday night rug-cutting and a lot of gal pals for blowing the breeze! But, still, Maizie had her troubles—and especially this week!

"If only I could get over bein' such a darn fraidy-cat!" she moaned to Helen Lucas, her best friend, over a soda in the Sweet Shoppe. "But, I declare, I get downright *paralyzed* when I come to think about goin' in that haunted house—wanderin' around in it by myself in the dark!"

Helen laughed outright. She was a tall, dark-haired, brown-eyed girl, forthright and strong, and obviously not the type to be much afraid of anything. "Why, Maizie!" she exclaimed. "You don't mean you honestly believe in ghosts!"

"No such luck," Maizie gloomed. "I'd *prefer* dealin' with ghosts— than with those two characters who are organizin' the hazin'!"

The "two characters" were Pete Winslow and Don Brooks, a couple of seniors, whose sense of humor was more than somewhat on the fiendish side. And Maizie, as a junior, was one of the unfortunates going through a week of initiation!

So far, the hazing hadn't been too bad. Pete and Don had thought up nothing more ghoulish than running barefoot and blindfolded through squishy mud, eating raw oysters with hot fudge sauce, and standing on one leg all through study hall. But the worst was—definitely—yet to come! On the last day of the week, each junior would have some special test of courage—and Maizie's was spending an hour alone in the haunted house!

"Don't worry," Helen said soothingly, scooping up the last of her soda with a spoon. "They're giving you a candle, aren't they? Maybe you could just sit down and read for the hour."

"Sit down an' *read!*" Maizie exploded. "You crazy? While I'm jumpin' out of my skin, I should curl up on a cobweb with a good book?"

Helen grinned. "You're upset, that's all. And those burglars breaking into your house helped jangle up your nerves, honeychile."

Maizie shuddered. "Sure did." There had been burglars ransacking the neighborhood lately, and Maizie's house was one of the ones robbed. It still made her nervous to realize that the men hadn't been caught. But she felt even worse about the coming highlight of initiation week!

For the next few days, Maizie went out of her way to smile her cute, upturned smile at Pete and Don, hoping that they would relent and think of something else for her to do. But no luck! She would have to go through with it—and she could just imagine the kind of stuff they would plant in the house! Skulls that glowed eerily in the dark, skeletons glimmering by the light of her candle, the sound of clanking chains—why, by the time she got out of there, she probably *would* believe in ghosts!

"Look, boys," she begged them finally, "How about me stayin' in the house maybe fifteen minutes, huh?"

"An hour," Pete and Don said firmly in unison, like a trained chorus.

"*Half* an hour?" Maizie suggested weakly.

"*One hour,*" the boys decreed—and it didn't matter how much Maizie batted her big blue eyes! It didn't even matter that she looked as scared as she felt! On Friday night, from eleven o'clock till midnight, she had to enter the strange, deserted, ramshackle house on the hill, all by herself, with a candle. Some of the kids from the school, including Pete and Don, would be waiting for her out on the dark lawn, and she was supposed to hold the candle up at each window of the house, to prove she had been in every room.

So she'd be sure to run into every blood-curdling thing they'd rigged up, no doubt!

The only good break about the whole thing seemed to be that Pete and Don would be out on the lawn. When the awful Friday night finally came, and Maizie stood in the darkness on the hill, looking at the weird house with the others clustered and laughing around her, she turned to Pete and Don, looking up at their dim faces in the dark.

"Promise now," she pleaded. "You-all are gonna stay out here, and not come inside and jump out at me, or—or anything!"

"*Us* come inside?" Pete grinned. "Into that haunted house? Not on a bet! Gives me the chills just to think of it!"

"We'll be staying right out here," Don said, "where it's nice and safe." Then he pulled a candle out of his pocket, lighted it, and handed it to Maizie. "Carry on, cupcake!"

Maizie took the candle in a shaky, small hand and walked up to the front door of the house. Behind her, on the lawn, she could hear everybody whispering and giggling—but there wasn't a giggle left in Maizie! She tugged open the creaky front door, squinting inside at blackness, trying to see beyond the quavering yellow of the candle. Then, she stepped over the threshold—and the door slammed shut behind her!

The instant she got inside, Maizie felt as though she had been in that terrible house for hours—and as though she couldn't stand it another minute! But she made herself walk forward. Dimly, she could see a staircase straight ahead of her. She decided to get the upstairs over with first—but, oh, if only she didn't have to go in every room!

She climbed the stairs slowly, her heart thumping, and reached an upstairs hall, waving the candle around to see where the rooms were. She noticed another little flight of stairs going down on the other side of the landing.

Then, absolutely without warning, Maizie got the worst scare of her life! There was a rushing sound, and something brushed her arm—and, then, the candle went out! Maizie screamed as she felt it snatched from her hand!

But, in the next moment, she stopped being scared. Suddenly, she was fighting mad, and not the slightest bit frightened! Squinting through the darkness, she saw two black figures near her—and one of them was coming at her again! Pete and Don! She was furious at them—they had promised not to come inside, not to do this! But she'd show them that they weren't so smart, after all!

As one of the black figures lunged at her, she put out her foot neatly. He tripped, stumbled, lurched back against the other one—and then there was a terrific crash! In the blackness, Maizie couldn't see what had happened! But she giggled softly to herself, and started back down the staircase. After this, those two would learn to keep promises!

Maizie skipped happily out of the house, ran to the lawn—and, then, stood absolutely still, her mouth open with astonishment! Standing on the lawn with the others, obviously puzzled to see her come out again so soon, were Pete and Don!

"But—but—inside!" Maizie stammered. "Those people in there—!"

"People?" Don said puzzledly.

The two boys rushed into the house. In a minute, they were back—and Maizie could hardly believe her ears when they started talking!

"Those two burglars, the ones who've been looting the neighborhood!" Pete exclaimed. "They must have been hiding there in the haunted house!"

"That's right!" Don chimed in. "And Maizie knocked them out cold—both of them! She captured them single-handed!"

There was a shout of excitement—but Maizie just gulped! Now, she realized what the crash had been! The two men must have gone over backwards down that other staircase, when she had made one of them stumble against the other! No wonder they were unconscious!

Before she could do any more thinking, Maizie found herself being hoisted up on the shoulders of her schoolmates!

"Hurray for Maizie!" they shouted. "The bravest girl in town!"

Maizie grinned. But all she could say was, "Well, I declare!"

The hazing hadn't turned out so badly, after all!

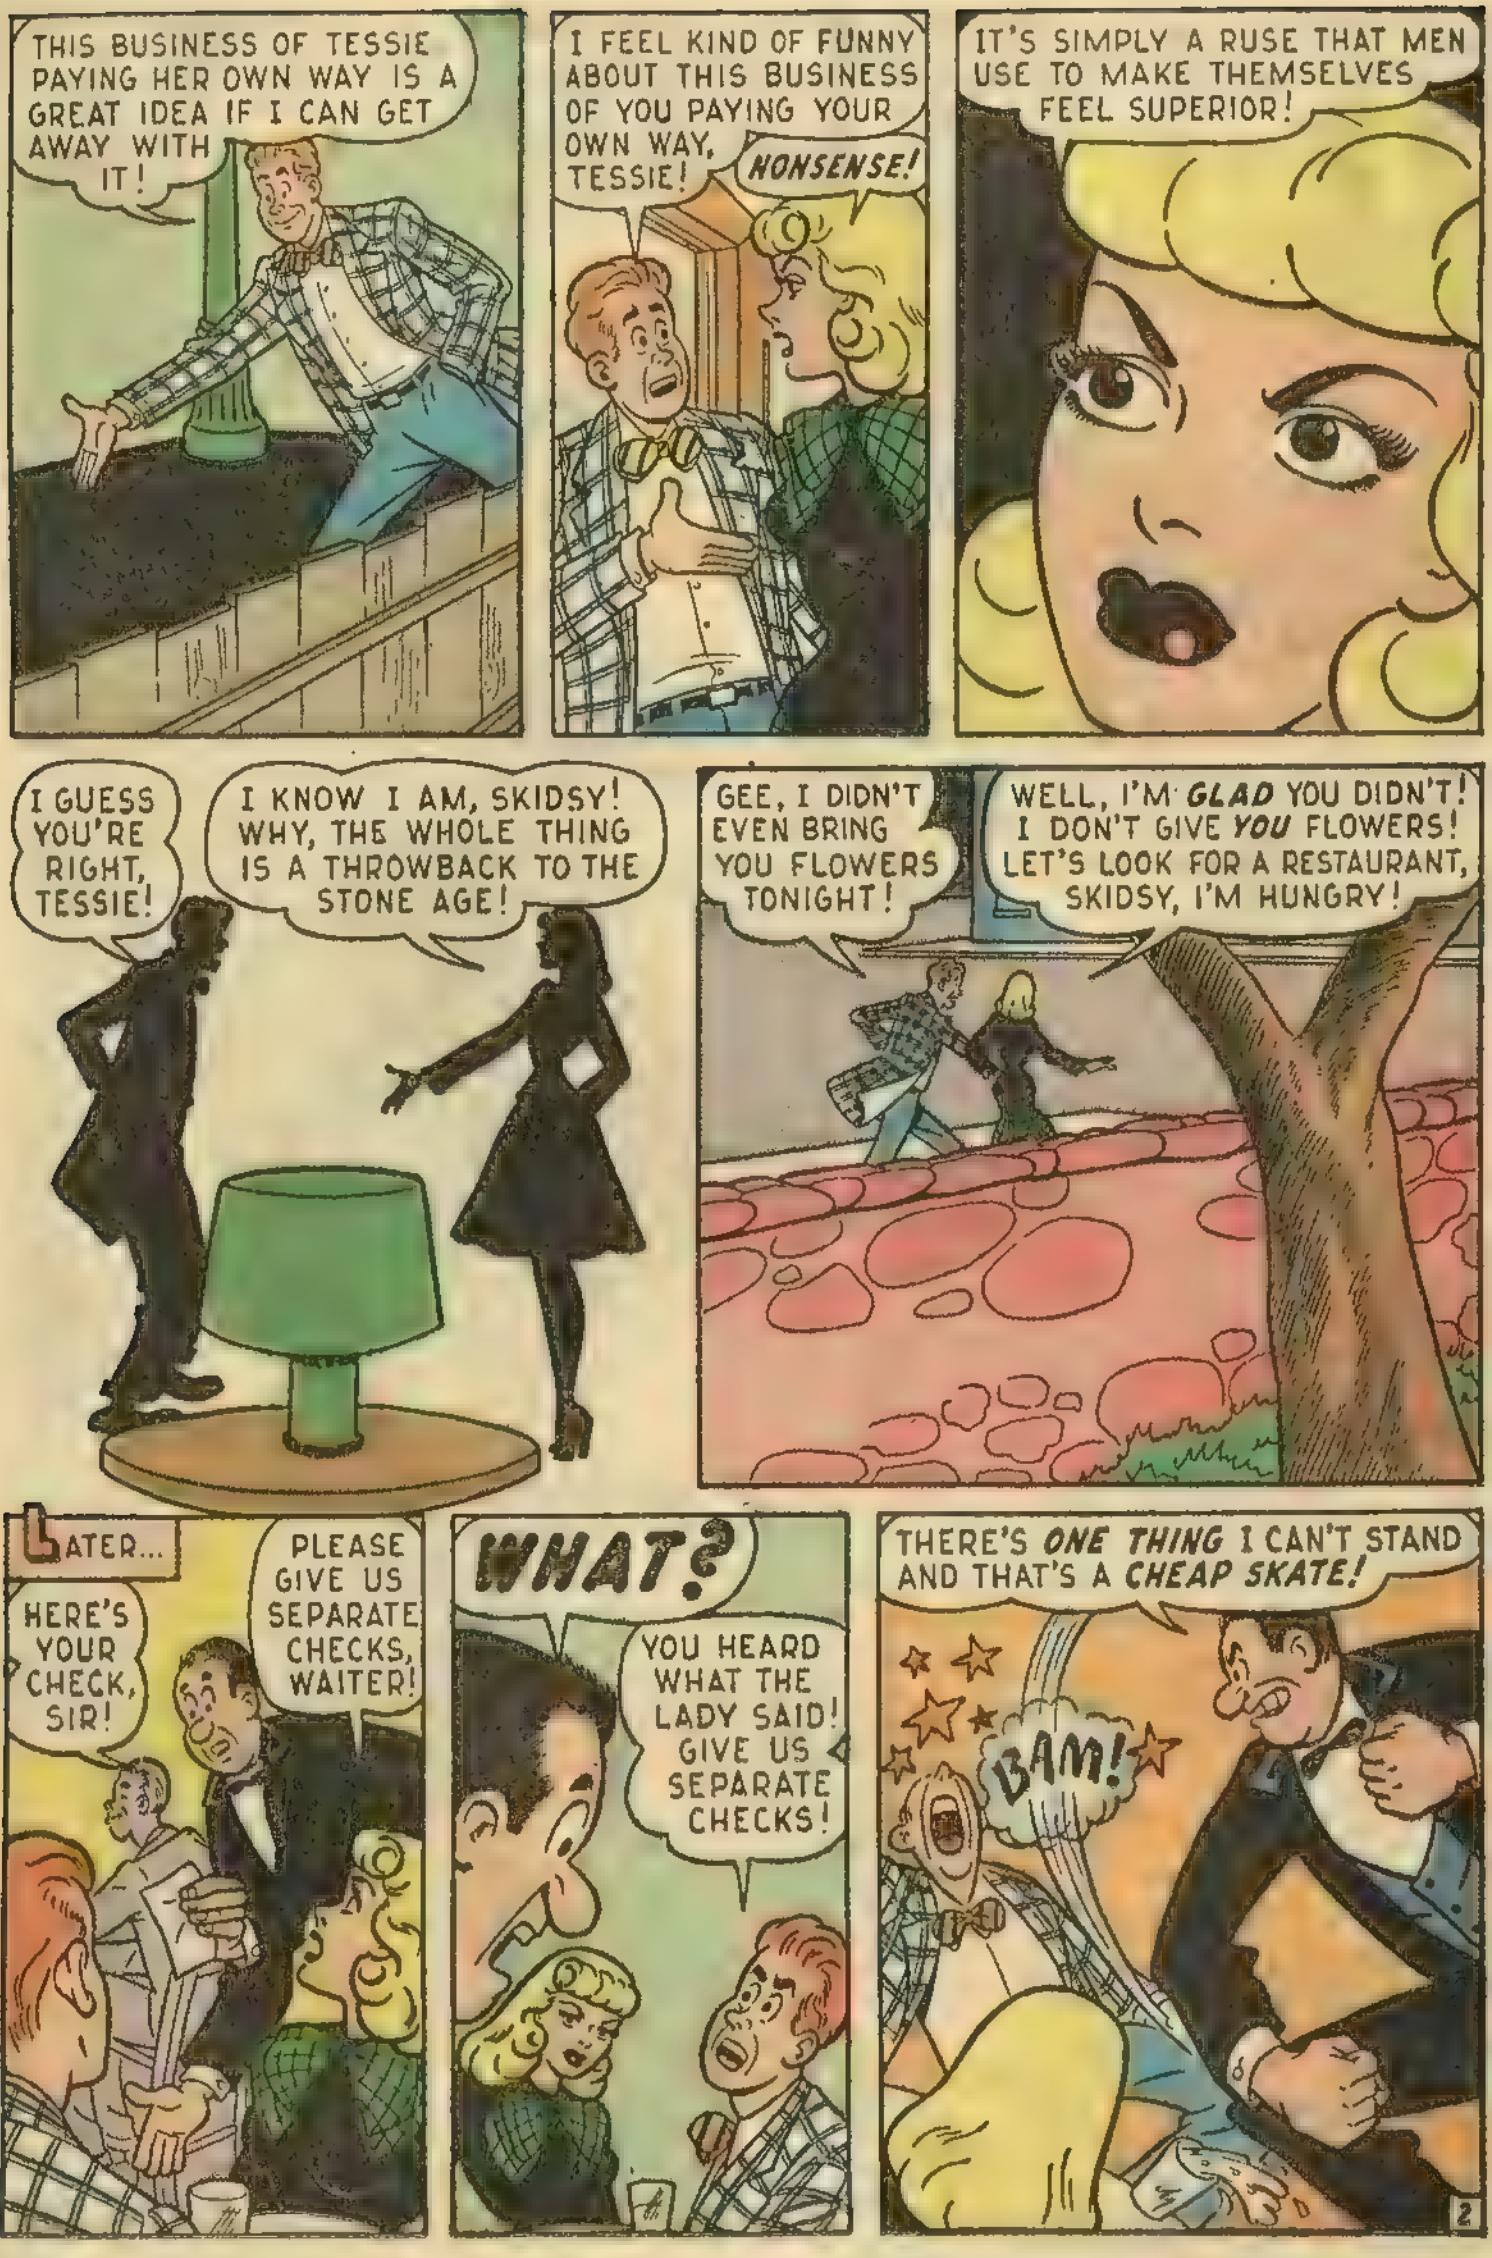
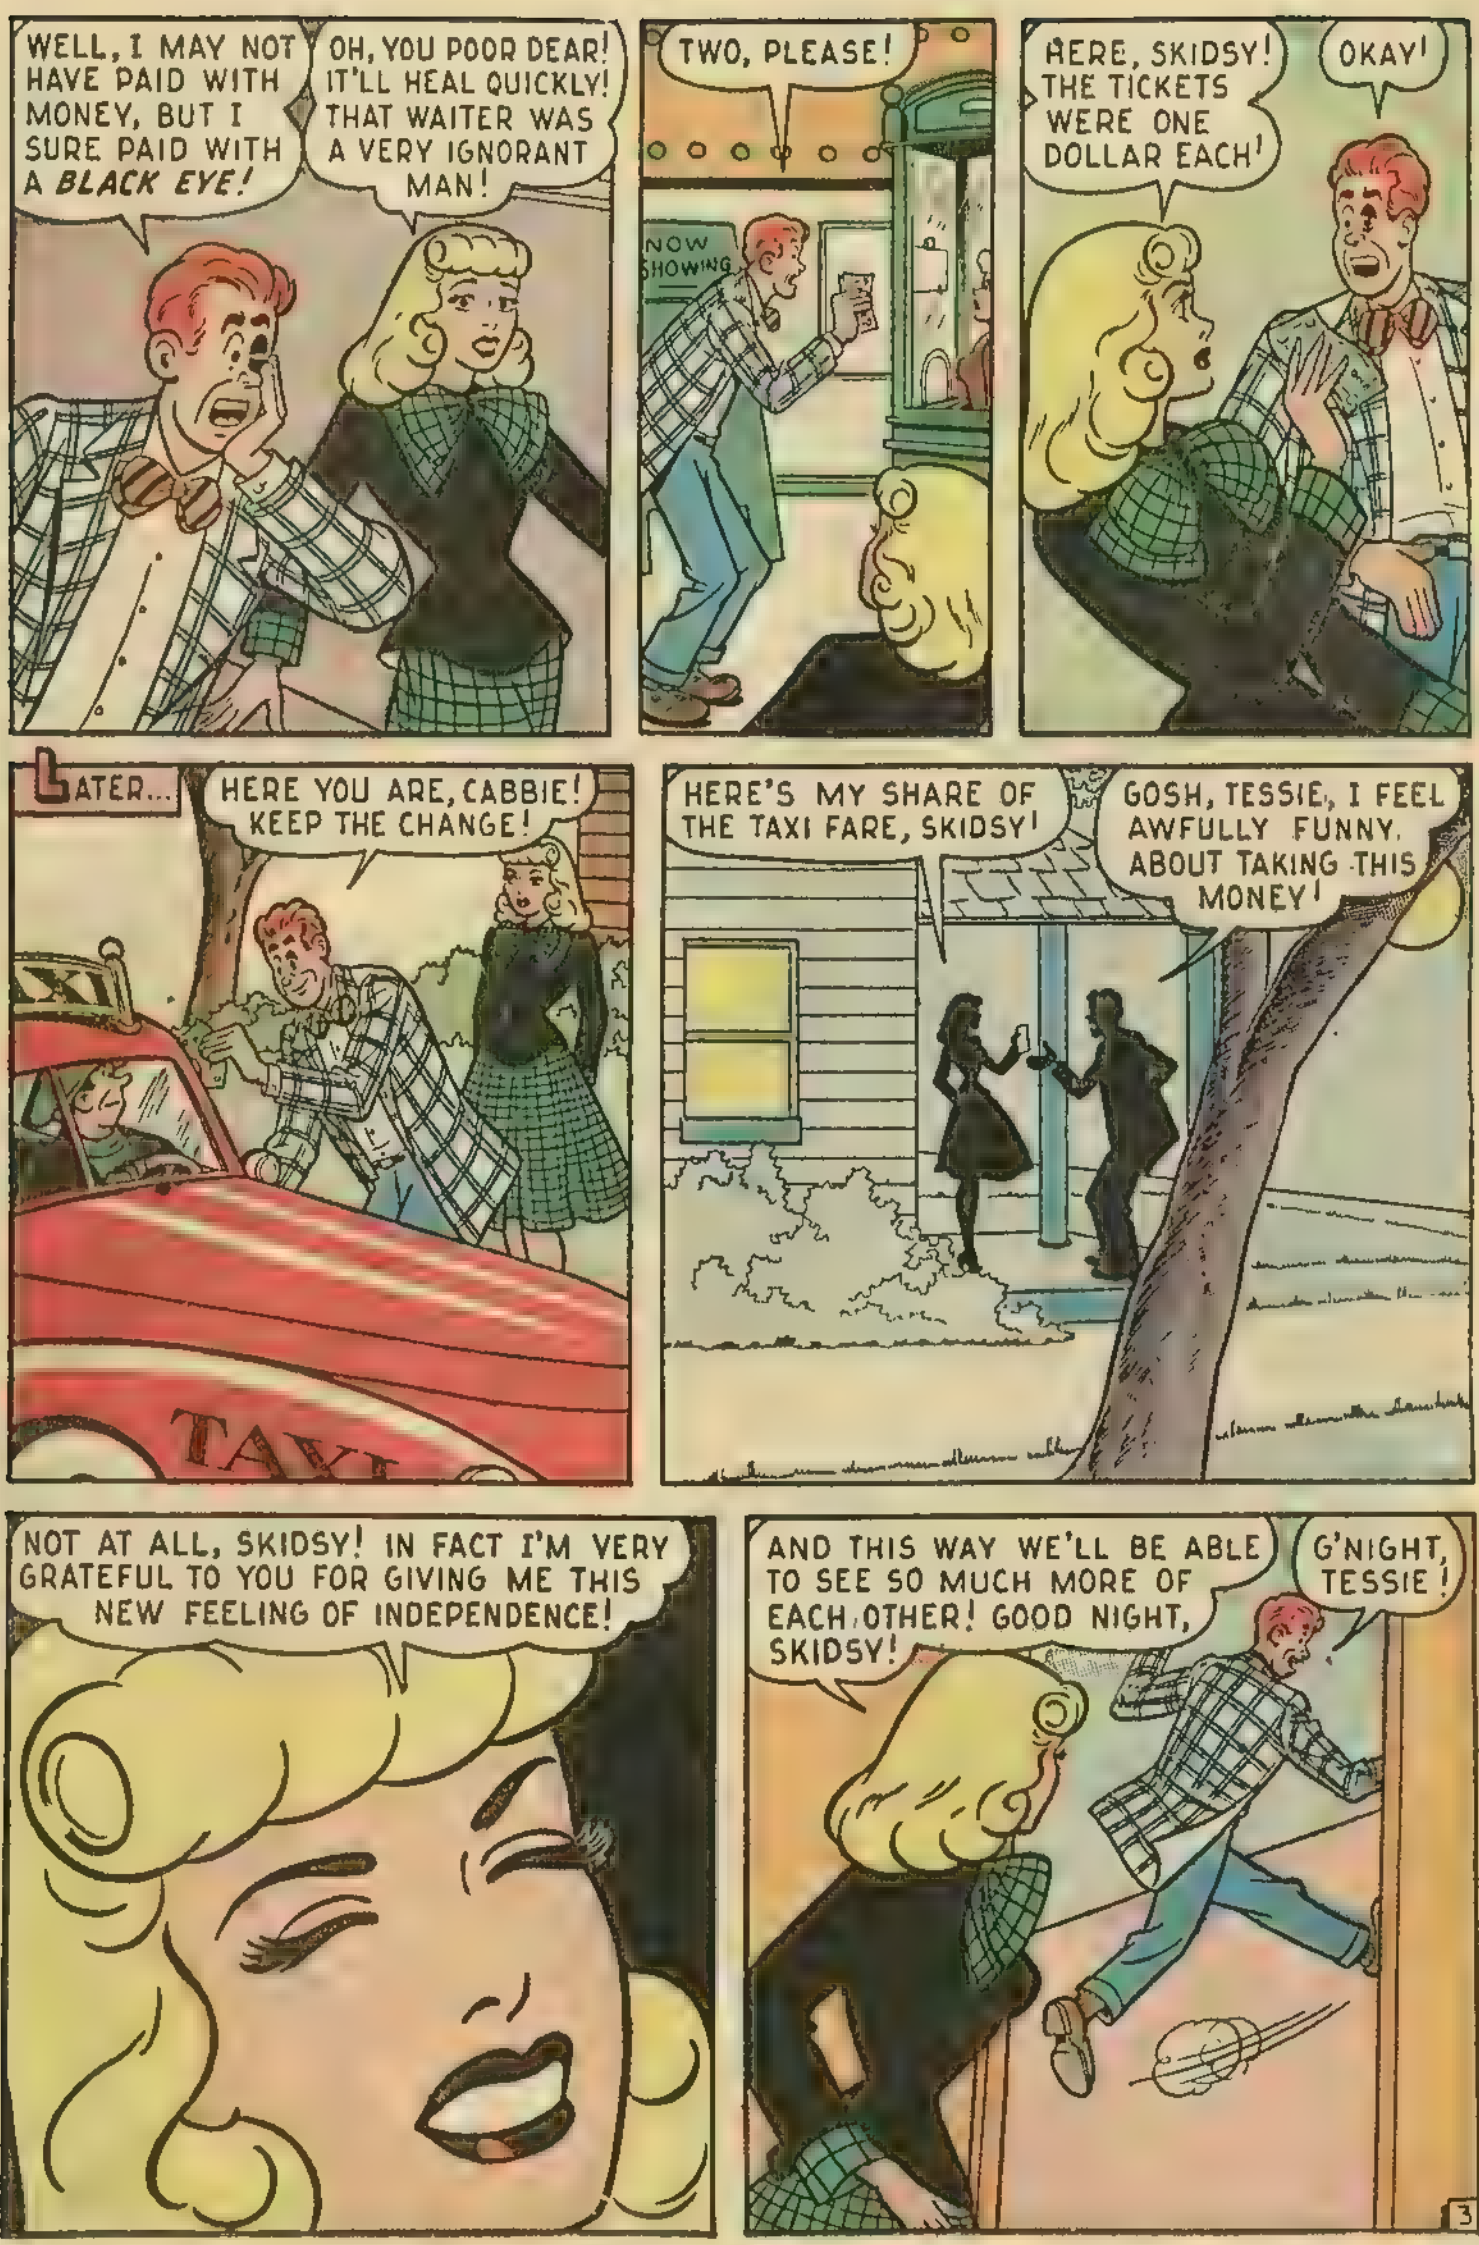
HELLO, SKIDSY! WHERE ARE WE GOING TONIGHT?
I'M AFRAID I CAN'T TAKE YOU ANYWHERE TONIGHT, TESSIE! I'M STONE BROKE!
I'M GLAD YOU BROUGHT UP THE SUBJECT, SKIDSY! WE CAN GO OUT TONIGHT, BECAUSE FROM NOW ON I'M GOING TO PAY MY OWN WAY WHEREVER WE GO! WOMEN ARE IN NO WAY INFERIOR TO MEN, SO I DON'T SEE WHY WE SHOULD BE PLACED IN AN INFERIOR POSITION! WE CERTAINLY DON'T NEED TO BE CODDLED!



THIS BUSINESS OF TESSIE PAYING HER OWN WAY IS A GREAT IDEA IF I CAN GET AWAY WITH IT!
I FEEL KIND OF FUNNY ABOUT THIS BUSINESS OF YOU PAYING YOUR OWN WAY, TESSIE!
NONSENSE!
IT'S SIMPLY A RUSE THAT MEN USE TO MAKE THEMSELVES FEEL SUPERIOR!
I GUESS YOU'RE RIGHT, TESSIE!
I KNOW I AM, SKIDSY! WHY, THE WHOLE THING IS A THROWBACK TO THE STONE AGE!
GEE, I DIDN'T EVEN BRING YOU FLOWERS TONIGHT!
WELL, I'M GLAD YOU DIDN'T! I DON'T GIVE YOU FLOWERS! LET'S LOOK FOR A RESTAURANT, SKIDSY, I'M HUNGRY!
LATER...
HERE'S YOUR CHECK, SIR!
PLEASE GIVE US SEPARATE CHECKS, WAITER!
WHAT?
YOU HEARD WHAT THE LADY SAID! GIVE US SEPARATE CHECKS!
THERE'S ONE THING I CAN'T STAND AND THAT'S A CHEAP SKATE!
BAM!
2



WELL, I MAY NOT HAVE PAID WITH MONEY, BUT I SURE PAID WITH A BLACK EYE!
OH, YOU POOR DEAR! IT'LL HEAL QUICKLY! THAT WAITER WAS A VERY IGNORANT MAN!
TWO, PLEASE!
NOW SHOWING
HERE, SKIDSY! THE TICKETS WERE ONE DOLLAR EACH!
OKAY!
LATER...
HERE YOU ARE, CABBIE! KEEP THE CHANGE!
TAXI
HERE'S MY SHARE OF THE TAXI FARE, SKIDSY!
GOSH, TESSIE, I FEEL AWFULLY FUNNY ABOUT TAKING THIS MONEY!
NOT AT ALL, SKIDSY! IN FACT I'M VERY GRATEFUL TO YOU FOR GIVING ME THIS NEW FEELING OF INDEPENDENCE!
AND THIS WAY WE'LL BE ABLE TO SEE SO MUCH MORE OF EACH OTHER! GOOD NIGHT, SKIDSY!
G'NIGHT, TESSIE!
3

A WEEK LATER...
SAY, SKIDSY, THERE'S SOMETHING PERSONAL I'D LIKE TO ASK YOU!
SURE SPIKE, WHAT IS IT?
YOU'VE BEEN TAKING OUT TESSIE ALMOST EVERY NIGHT! HOW CAN YOU DO IT ON YOUR SALARY?
WELL, IT'S LIKE THIS! TESSIE PAYS HER OWN WAY!
NO FOOLIN'?
YEP, TESSIE'S A GREAT BELIEVER IN WOMEN'S INDEPENDENCE!
HMMM! VERY INTERESTING!
LATER THAT EVENING...
WHAT TIME SHALL I CALL FOR YOU, TESSIE?
NOT TONIGHT, SKIDSY!
FOLLOWING DAY...
HOW'S ABOUT A MOVIE TONIGHT, TESSIE?
MAYBE TOMORROW, SKIDSY!
AND THE DAY AFTER THAT...
TONIGHT, TESSIE?
SOME OTHER NIGHT, SKIDSY!
4

THIS HAS GONE FAR ENOUGH, AND I'M GOING TO FIND OUT WHY TESSIE WON'T GO OUT WITH ME!
TESSIE, THERE'S SOMETHING I WANT TO KNOW!
SKIDSY, I WASN'T EXPECTING YOU!
NOW I WANT TO KNOW WHY YOU HAVEN'T GONE OUT WITH ME FOR DAYS --AND AFTER I LET YOU HAVE YOUR OWN WAY ABOUT PAYING!
WELL, YOU SEE, I...
R-RING
WHO'S THAT AT THE DOOR?
OH, DEAR!
SKIDSY!
SPIKE!
SO! YOU'VE BEEN GOING OUT WITH SPIKE!
WELL, SPIKE BRINGS ME FLOWERS AND CANDY, AND HE ALWAYS TREATS ME!
BUT YOU TOLD ME--
IT'S NO USE, SKIDSY! I SIMPLY CAN'T AFFORD TO GO OUT WITH YOU!
I THINK I'LL GO TO EGYPT AND TRY TO FIGURE OUT THE SPHINX!
THE END

BLACKHEADS "PET HATE"

Say Men, Girls in Choosing Date

What a "black mark" is the blackhead . . . according to men and girls popular enough to be choosy about dates!

"Nobody's dreamboat!" "Nobody's date bait!" And that's not all that's said of those who are careless about blackheads. But blackheads ARE ugly! Blackheads ARE grimy! And they DON'T look good in close-ups!

So can you blame the fellow who says, "Sure, I meet lots of girls who look cute at first glance. But if, on that second glance, I see dingy blackheads, it's *good night!*"

Or can you blame the girl who confesses, "I hate to go out with a fellow who has blackheads. If he's careless about that you're sure he'll embarrass you in other ways, too!"

But you — are YOUR ears burning? Well, you've company and, sad to say, good company. There are lots of otherwise attractive fellows and girls who could date anyone they like if they'd only realize how offensive blackheads are . . . and how easily and quickly they could get rid of them . . . if they *want* to!

"He-Man" Often Guilty of Blackhead Crime

Take your "he-man" . . . super at track, games, sports of all kinds . . . who thinks that after just a shower he's ready to go anywhere! And won't the girls all admire his muscles!

Sure they would! But not many dance floors are set up for hurdle races! You can't show off your snappy left hook when only cokes are in the ring. The "he-man" who's also clean-cut, will get the breaks wherever he is.

Even Cute Girls Become Careless

Easy, too easy, for a girl to think that if she has the latest in clothes and hair-do she needn't bother about blackheads. A little more make-up, she guesses, will take care of that. BUT MAKE-UP WON'T HIDE BLACKHEADS! Not unless it's plaster of paris, maybe! And even good make-up "slips" at a dance! So don't take chances, cute though you may be!

TAKE THESE TIPS TO BANISH BLACKHEADS

Keep skin clean by washing morning and night with warm, almost hot, water. Use good soap and plenty of it. And finish with cool water.

Extract every blackhead as soon as you see it—with a SAFE extractor. Don't use finger nails. Don't squeeze. That may mean infection, injured tissues, a marred skin.

Just be clean! Be quick! And be safe! That's easy! And that's ALL!
